## 22nd Annual Lighting Product Fair FEATURING LED LIGHTING

**Thursday, February 16th, 2017**

**1:30 to 8:00 PM**

**The Shrine Auditorium Exhibition Hall  
700 W. 32<sup>nd</sup> Street  
Los Angeles, CA 90007**

This year, 128 manufacturers will be featuring their latest new products, including LED lighting and controls. The overwhelming success of this show for the past 21 years makes this a MUST event for Architects, Interior Designers, Lighting Consultants, Electrical Engineers and anyone else interested in new lighting product developments.

The Los Angeles Section of the Illuminating Engineering Society (IESLA) offers this event to support local University and College students pursuing architectural and interior design studies that have a strong interest in lighting. IESLA has two programs: The Russell Cole Design Competition offering financial rewards to the student winners and the Saul Goldin Internship offering an eight-week summer internship at the California Lighting Technology Center at the University of California at Davis.

*∞ Buffet Dinner will be served from 4:30pm until 7:30pm.*

**Admission, food, and Parking is FREE!** (enter parking lot at 700 W. 32<sup>nd</sup>)

If you can only make it to one IES Meeting this year, **THIS IS THE EVENT! Don't miss it!!** Map to the event can be found on the website @ [www.iesla.org](http://www.iesla.org).
